### 3. Featured Products

The screenshot shows a mobile application interface with a dark background. On the left, there is a vertical toolbar with icons for back, forward, and search. The main area is titled "Featured Products" in bold black font. It displays four product cards, each featuring a Nike sneaker image, the product name, price, and a "View Details" button.

Product	Image	Name	Price	Action
Nike Air Force 1 Mid '07		Nike Air Force 1 Mid '07	10795 PKR	<a href="#">View Details</a>
Nike Court Vision Low Next Nature		Nike Court Vision Low Next Nature	4995 PKR	<a href="#">View Details</a>
Nike Air Force 1 PLT.AF.ORM		Nike Air Force 1 PLT.AF.ORM	8695 PKR	<a href="#">View Details</a>
Nike Air Force 1 React		Nike Air Force 1 React	13295 PKR	<a href="#">View Details</a>

The Featured Products section showcases a selection of highlighted or popular products to grab the user's attention and drive sales.

# 4. AI Recommendations

Provide personalized product recommendations to users, enhancing their shopping experience and increasing engagement and sales.

# 5. Product Listing page

The screenshot shows a web-based product listing page for a shoe store named "Shoezshop". The interface is designed with a dark theme and includes a top navigation bar with links for "Sign in", "Create Next App", and language selection ("Urdu"). The main content area is titled "Product Listings" and features a filter panel on the left with sections for "Category" (dropdown menu showing "All Categories"), "Color" (a row of color swatches), and "Price Range" (two input fields set to 0 and 10000). Below the filter panel, there are four large product cards displayed in a row. Each card contains an image of a shoe or jersey, the product name, and a brief description. For example, the first card is for the "Nike Court Vision Low Next" (Men's Shoes, \$4995) and the second is for the "Nike Air Force 1 PLT.AF.ORM" (Women's Shoes, \$8695). The bottom half of the page shows a larger grid of eight product cards, each with a thumbnail image, product name, category, price, and a "View Details" link.

Product	Category	Price	Description
Nike Court Vision Low Next	Men's Shoes	\$4995	The Nike Court Vision Low Next Nature combines retro basketball style with modern sustainability. Made with at least 20% recycled content, it features a sleek design, durable materials, and ultimate comfort for everyday wear.
Nike Air Force 1 PLT.AF.ORM	Women's Shoes	\$8695	The Nike Air Force 1 PLT.AF.ORM elevates the iconic AF1 silhouette with bold design updates. Featuring a platform sole and premium materials, this women's shoe redefines style and comfort in a fresh, modern way.
Nike Standard Issue	Basketball Jersey	\$2895	The Nike Standard Issue Basketball Jersey delivers a lightweight, breathable fit for top performance. Designed for athletes, it combines style and functionality to keep you cool and comfortable on and off the court.
Nike Dunk Low Retro SE	Men's Shoes	\$9695	The Nike Dunk Low Retro SE brings vintage vibes with a modern twist. Featuring premium materials and a neutral color palette, this classic sneaker is versatile, stylish, and perfect for any casual occasion.

The Product Listing Page enables users to explore products with advanced filtering and sorting options, making it easier to find desired items.

## Key Features

**Filter Panel:** Allows users to filter products by categories, price range, ratings, and more.

**Dynamic Data Fetching:** Retrieves product data based on selected filters and the current page.

**Pagination:** Divides products into pages for better user experience.

**Sorting Options:** Enables sorting by price, popularity, ratings, or relevance.

**Responsive Design:** Optimized for all screen sizes.

# 6. Product Detail Page and Related Products

The screenshot shows a product detail page for a Nike Court Vision Low Next Nature shoe. At the top, there's a green banner with the text "Product added to cart!". Below the banner, the product image is displayed, followed by the product name "Nike Court Vision Low Next Nature". A detailed description follows, mentioning its retro basketball style, modern sustainability, and comfort. The price is listed as "4995 PKR". Below the price, it says "Category: Men's Shoes" and "Inventory: 35". At the bottom of the main product card are two buttons: "Add to Cart" and "Add to Wishlist".

**Related Products**

Three other shoe products are shown in a grid:

- Nike Air Force 1 Mid '07
- Nike Court Vision Low Next Nature
- Nike Air Force 1 React

The Product Detail Page provides detailed information about a specific product, including its image, description, price, and specifications. It also displays related products from the same category to engage users further and encourage additional purchases.

This section shows a detailed view of the Product Detail Page, focusing on the "Related Products" section. It displays three separate cards, each featuring a product image, name, description, price, and a "View Details" button.

- Nike Air Force 1 Mid '07**  
The Nike Air Force 1 Mid '07 delivers timeless style with premium leather and mid-cut design. Perfect for everyday wear, it provides exceptional comfort and durability. The iconic Air-Sole cushioning adds responsive support for long-lasting performance.

# 7. Cart And WishList

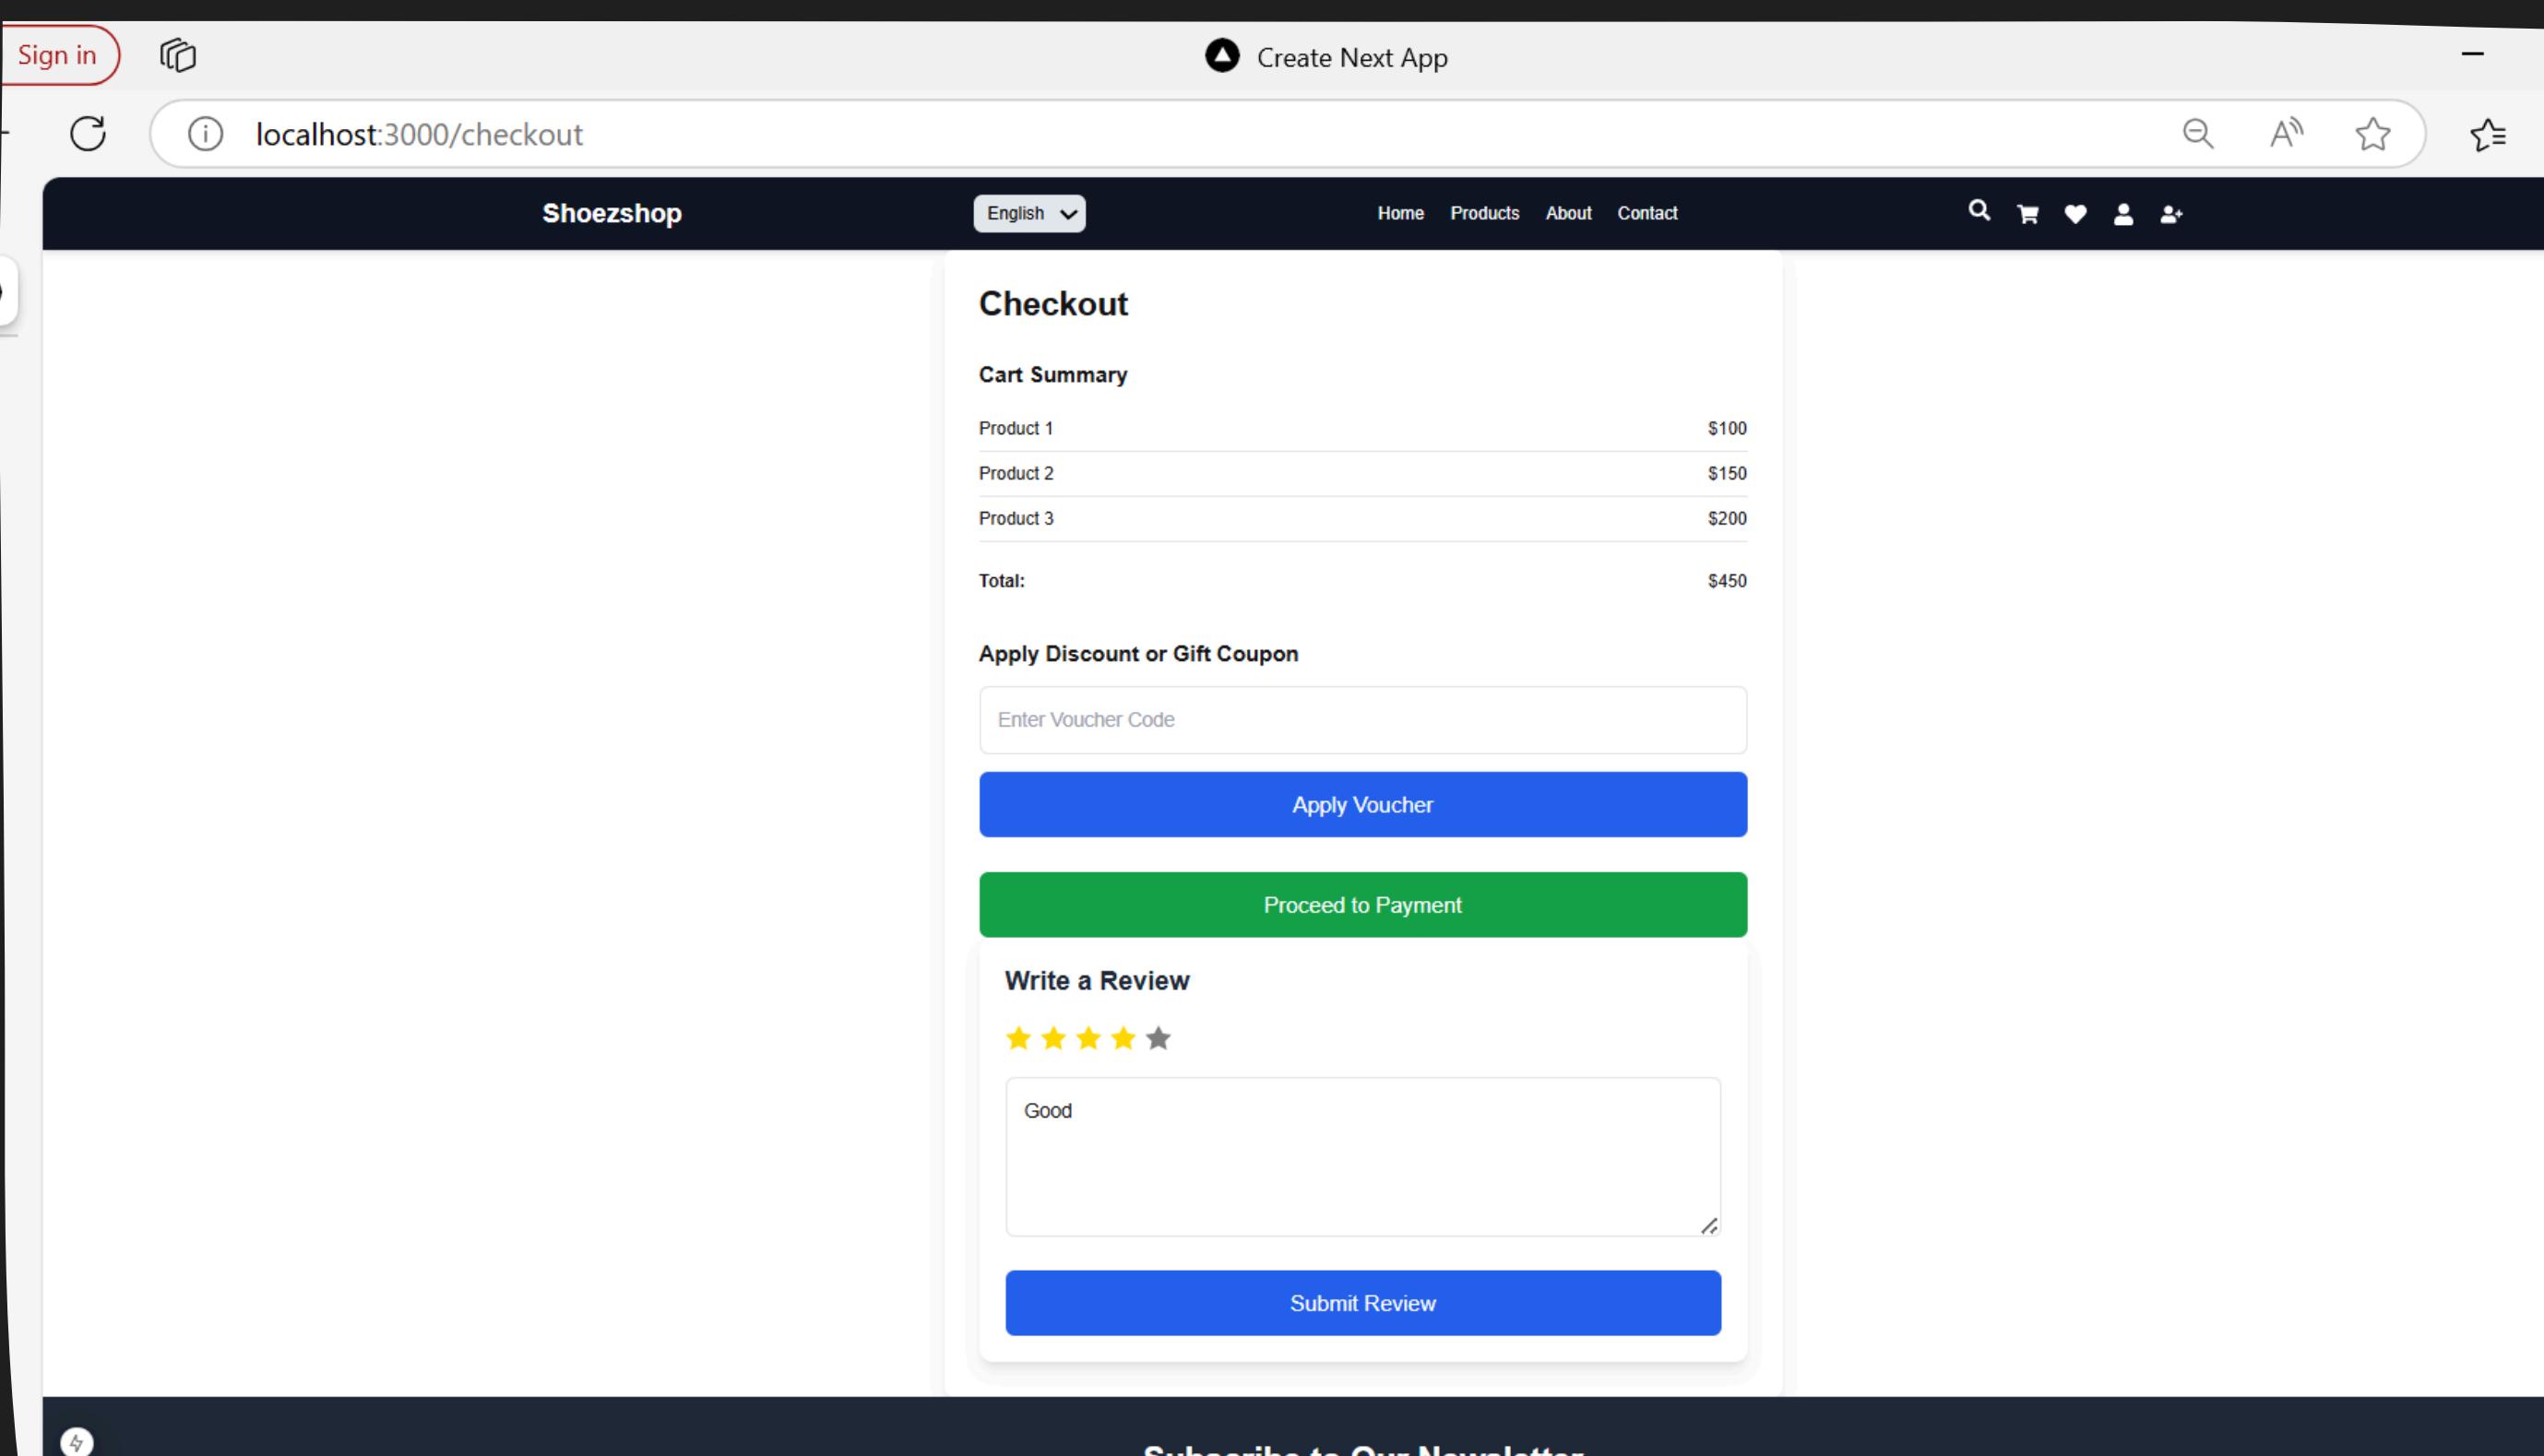

The screenshot shows the 'Your Cart' section of the Shoezshop website. It displays a single item: 'Nike Court Vision Low Next Nature' at \$4995, quantity 1. There is a trash icon to remove the item. A 'Proceed to Checkout' button is located on the right.

The screenshot shows a newsletter subscription form with a placeholder 'Enter your email' and a blue 'Subscribe' button. Below the form, a copyright notice reads '© 2025 Your Company. All rights reserved.'

The screenshot shows the 'Wishlist' section of the Shoezshop website. It displays a single item: 'Nike Air Force 1 PLT.AF.ORM' at \$8695, with 'Add to Cart' and 'Remove' buttons. Below the item, there is a newsletter subscription form and a copyright notice.

The Cart and Wishlist functionalities allow users to manage their shopping preferences easily. The cart is used for purchasing products, while the wishlist helps save favorite items for future reference.

# 8.Checkout Page With Review And Rating

The Checkout Page facilitates the completion of a purchase by collecting user details and processing payment. The Review and Rating feature allows users to share feedback about products, improving customer trust and engagement.

# 9. User Register Page

The screenshot shows a dark-themed website for 'Shoezshop'. At the top, there's a navigation bar with links for 'Home', 'Products', 'About', and 'Contact', along with icons for search, cart, heart, user profile, and a plus sign. On the left, it says 'Shoezshop' and has a language dropdown set to 'English'. The main content area features a light gray 'Register' form with rounded corners. It contains three input fields: 'Name' (empty), 'Email' (containing 'ushna1234@gmail.com'), and 'Password' (containing '\*\*\*\*\*'). Below these is a large blue 'Register' button. At the bottom of the form, there's a link 'Already have an account? [Login here](#)'.

The User Page provides a personalized experience for registered users, allowing them to view their account details, order history, and more. The Registration Page allows new users to create an account, which is essential for tracking orders, managing the cart, and using other personalized features.
